RULE 604

MODIFICATION OF INCREMENTS OF PROGRESS SCHEDULE

A. **MODIFICATION OF INCREMENTS OF PROGRESS SCHEDULE:** If a person granted a variance with a schedule of increments of progress, files an application for modification of the schedule and is unable to notify the Hearing Board sufficiently in advance to allow the Hearing Board to schedule a public hearing, the Hearing Board may grant a one time interim authorization which is valid for no more than 30 days, to continue operation pending decision of the Hearing Board on the application as follows:

1. The Chair of the Hearing Board or any other Hearing Board member, except for an alternate member, designated by the Board may hear such application.
2. If a member of the public contests a decision made by one member of the Hearing Board, the application shall be reheard by the full Hearing Board within 10 days of the decision.

The interim authorization shall not be granted for a requested extension of a final compliance date or where the original variance expressly required advance application for the modification of an increment of progress.
